His proclivity for _____ had at one time made him a suspect in every open case of vandalism, but it also
made him mentally qualified for the specialized unit in the military whose job it was to reduce _____
munitions.
A. intimidation. . .depleted
B. extirpation. . .stockpiled
C. trouble. . .reliance
D. opulence. . .droll
E. gang membership. . .built up
Answer: B
Explanation:
We're looking for a first word match that would align with the crime of destruction or vandalism. Choices A,
B, and C "trouble," "gang membership," and "extirpation" all qualify. The second blank should relate to the

destruction of a certain type of munitions. Again, Choices B and C "built up" and "stockpiled" are possible.
Now we're down to making a choice between two possible choices. Since "extirpation" means destruction
and is more specific to the crime of vandalism than simply belonging to a gang, Choice C is correct.
